Architectural & Interior Solutions

Ceramic Architectural Series

BENEFITS

- High visible light transmission providing excellent aesthetics
- Low interior and exterior reflectivity enhances views while maintaining exterior appearance
- Stay cooler by reducing excessive heat in warmer months
- Non-metalized film with natural tone for amazing clarity
- Helps extend the life of furnishings by significantly reducing harmful UV rays, the largest cause of fading
- Backed by premium 3M manufacturer's warranty. 10 years warranty for fixed and sliding panels, 3 years warranty for casement windows. Warranty covers peeling, bubbling, blistering, delamination and discolouration

	CA35	CA45	CA60
