To Whom It May Concern:

**3M PR 60/ CR60 - Singapore Green Building Product certification scheme**

We are pleased to announce that 3M™ Prestige 60 and 3M™ Crystalline 60 window films are certified under the Singapore Green Building product certification scheme where were awarded 2 ticks and earned a ‘Good’ rating under the Façade and Envelope category.

SGBP Certification Scheme was introduced by Singapore Green Building Council (SGBC) to complement the Building and Construction Authority (BCA) Green Mark Scheme. For more information on the scheme, kindly visit [www.sgbc.sg](http://www.sgbc.sg).
