

AQUA-PURE™

EXTRA HOT. EFFORTLESSLY FAST.

AQUA-PURE™ HOT & COLD FILTERED WATER DISPENSER

3M DRINKING WATER FILTRATION IS NOW AQUA-PURE™ WATER FILTRATION

AQUA-PURE™

HOT & COLD WATER RIGHT WHEN YOU NEED IT

WITH ADVANCED FILTRATION YOU CAN TRUST

FAST-FLOW COLD OR HOT WATER – UP TO 95°C IN YOUR CUP, NOT JUST IN THE DISPENSER

From crisp cold to extra hot, enjoy water at your ideal temperature – including 95°C hot water at cup temperature. That means the water in your cup reaches up to 95°C, not just inside the machine.

YOUR CUP, 95°C, LIMITLESS POSSIBILITIES

PERFECT FOR COFFEE & TEA

- Brew barista-grade black coffee or Americano – 92°C to 96°C is the optimal range for proper extraction without bitterness
- Steep premium teas properly for full flavour and aroma in black teas, pu'érh and oolongs

INSTANT MEALS, READY IN NO TIME

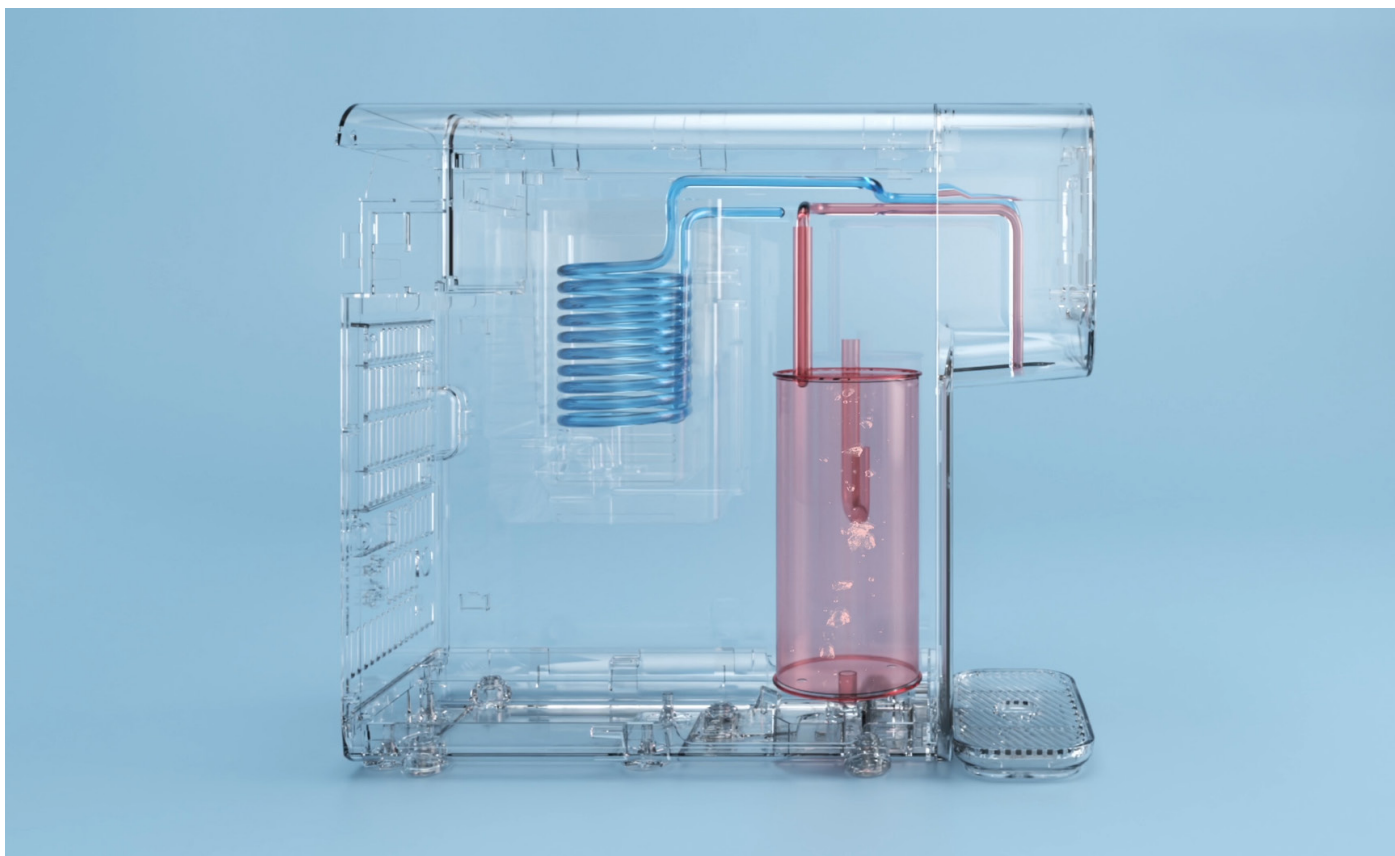

- Prepare instant noodles, porridge, and soups quickly, without the need for a kettle or stove
- Rehydrate and cook most freeze-dried or instant food products efficiently

CLEAN SURFACES AND UTENSILS

- Effectively cut through grease and clean utensils and surfaces for added hygiene

THE TECHNOLOGY BEHIND HOT & COLD DISPENSING

TANKLESS TECHNOLOGY FOR COLD & AMBIENT WATER

Enjoy rapid, continuous flow with no need for refilling. The tankless design ensures water is chilled or at room temperature the moment you need it.

HEATING TANK FOR HOT & EXTRA HOT WATER (~95°C)

A dedicated internal tank keeps hot and extra hot water ready on demand. No delay, no fluctuation – just fast, consistent heat.

By combining direct dispensing for cold and ambient water and an internal tank for hot and extra hot water, the hybrid system delivers temperature-specific water with high efficiency.

Fill a 1-litre bottle in no time, thanks to high-speed water flow designed for busy routines. Whether it's a quick top-up or a full refill, the dispenser delivers with speed and precision.

Up to five 120mL cups of 95°C extra hot water can be dispensed continuously

Performance may vary based on water quality, ambient conditions and usage. Results based on internal testing.

REFRESHMENT YOU DESERVE

TRUST IN EVERY DROP

What goes into your body matters – and so does the quality of your water. Aqua-Pure™ Hot & Cold Filtered Water Dispenser uses a single, high-performance filter cartridge that's certified to remove chlorine, microplastics, select VOCs and other contaminants.

Get peace of mind with this halal-approved dispenser, tested & certified by NSF International with NSF/ANSI Standard 42, 53 and 401.

¹ Certified for water filter

² Certified for dispenser

³ NSF/ANSI standard 42, 53 & 401, for water filter only

⁴ For water-contacting parts of dispenser only

⁵ Certified in accordance with Appendix H on Extraction of Metals, for water-contacting parts of dispenser only

ADVANCED CARBON-BLOCK FILTRATION PROCESS

Featuring the AP Easy Complete Replacement Filter Cartridge, Aqua-Pure™ Hot & Cold Filtered Water Dispenser reduces particulates (down to 0.5 microns), chlorine taste and odour, asbestos, parasitic protozoan cysts, lead and select volatile organic contaminants (VOCs*).

*VOCs limited to atrazene, benzene, carbofuran, lindane, p-dichlorobenzene, and toxaphene

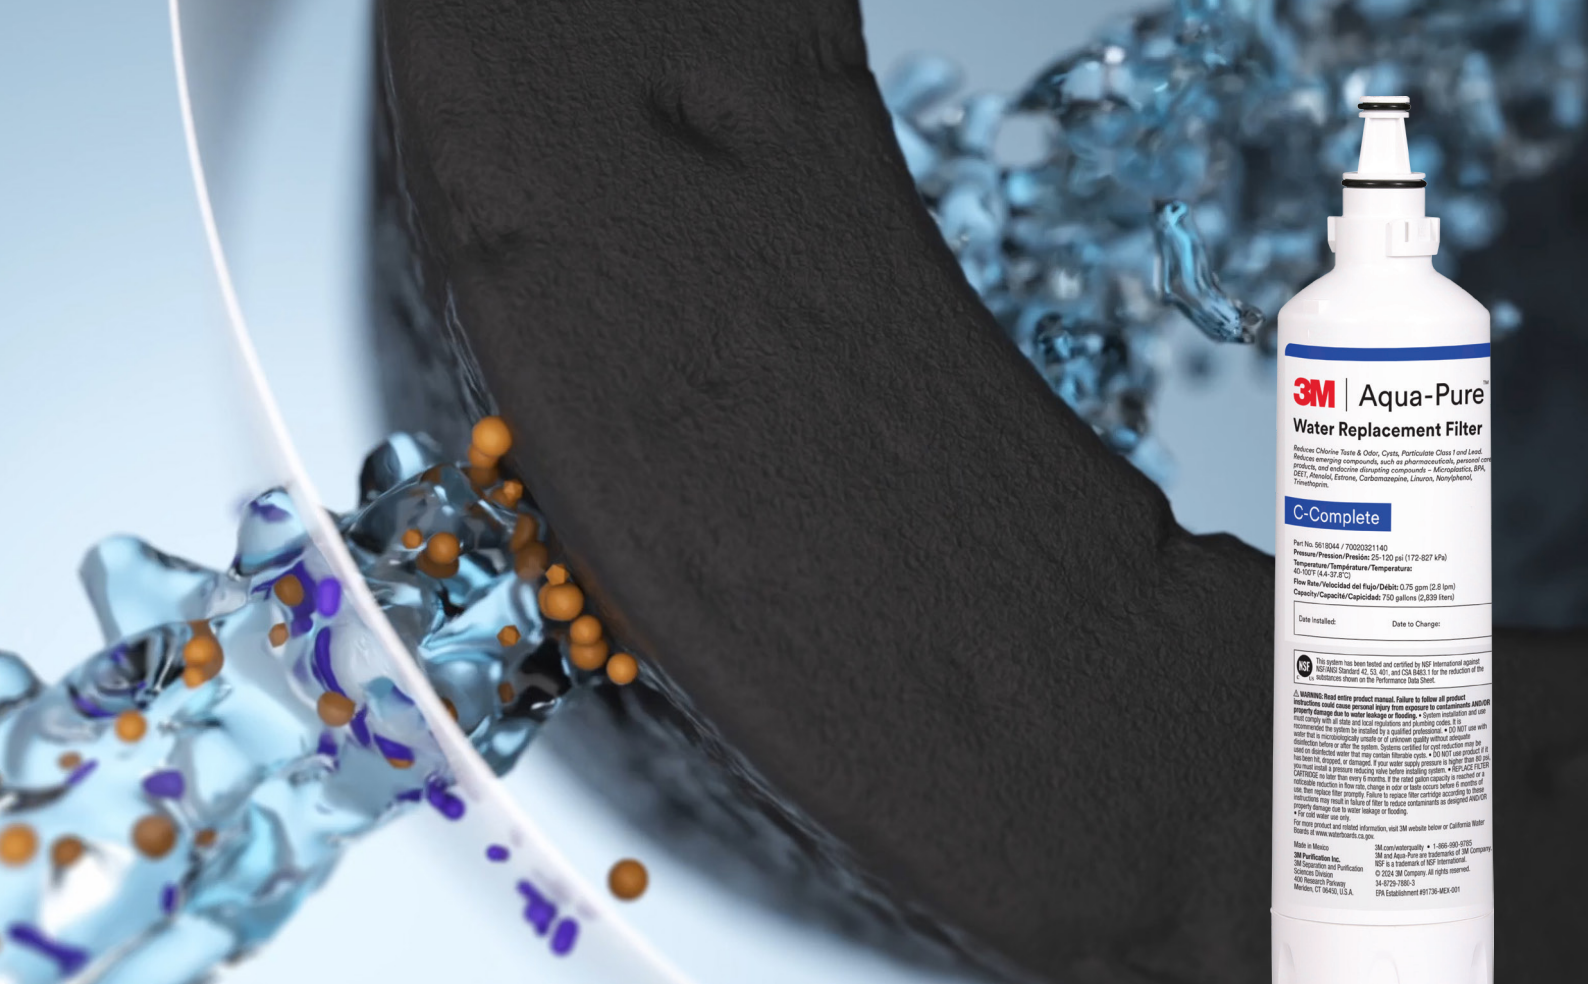

LOW RUNNING COSTS, HIGH PERFORMANCE

Minimal upkeep costs with a single, high-performance filter cartridge that requires a 10-second change-out only once every 6-9 months, depending on usage.

EFFICIENT SINGLE-FILTER SYSTEM

- One filter vs 2-3 in other systems
- Lower chances of breakdown or leakage
- Typically lower yearly maintenance cost than most brands

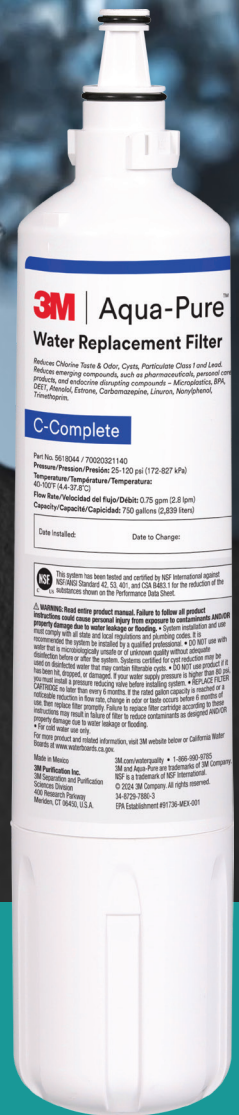

FILTRATION EXPERTS SINCE 1926

TRUSTED BY PROFESSIONALS, MADE FOR FAMILIES

Experts in drinking water filtration since 1926, Aqua-Pure™ Hot & Cold Filtered Water Dispenser was designed by the team behind the same proven technology used in worldwide restaurants and coffee shops. Whether it's for kids, elderly parents or daily use, this dispenser ensures clean, filtered water you can trust.

DESIGNED BY A COMPANY WITH A RICH HISTORY OF INNOVATION AND SCIENCE

Aqua-Pure™ brand isn't just continuing the legacy. We're carrying it forward. With nearly a century of expertise in drinking water filtration, we make sure the trust you've placed doesn't stop — it flows.

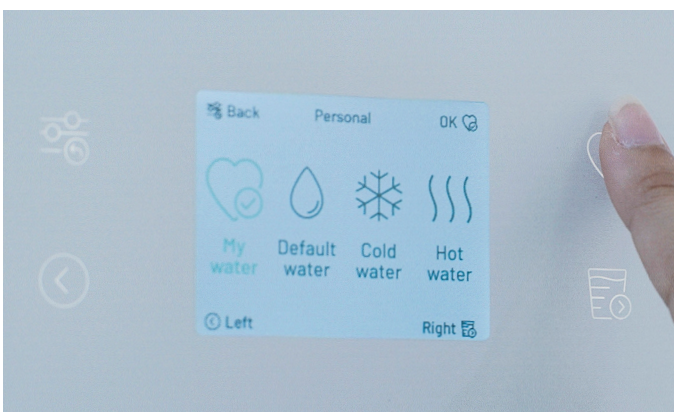

COMPACT ELEGANCE FOR MODERN LIVING

TIMELESS, NEUTRAL-TONE DESIGN

Minimalist and compact, this dispenser blends functionality with clean aesthetics that matches any space.

PERSONALISED HYDRATION MADE SIMPLE

'MY WATER' FUNCTION

Enjoy your perfect drink every time with My Water. Preset your favourite water temperature and volume, so dispensing your ideal glass is just one touch away, making hydration effortless and enjoyable.

HOME OR OFFICE READY

SPACE-SAVING SOLUTION

Offering four temperatures from cold to extra hot and adjustable volumes from 120mL to 1000mL, this dispenser is ideal for families, couples, or shared office spaces that need reliable hydration without sacrificing space.

EASE OF USE FOR EVERYONE

MULTIPLE LANGUAGE SUPPORT

Designed with English, Chinese, and Korean language options to accommodate diverse users, the intuitive interface lets you switch languages easily, ensuring clear instructions and smooth operation – no matter who's using it. Hydration made accessible and user-friendly.

MINIMAL MAINTENANCE WITH 10-SECOND EASY FILTER CHANGE

SMART FILTER ALERT

Never miss a filter replacement again. Aqua-Pure™ Hot & Cold Filtered Water Dispenser comes with a built-in alert system that reminds you before your filter expires, based on either:

- Volume usage (e.g. after a set number of litres dispensed), or
- Time duration (up to 12 months)

MAGNETIC SLIDE-OUT COVER

Accessing your filter cartridge for change-outs is simple with a magnetic panel.

- Slide-to-open mechanism that does not require any screws or tools
- Easily reveal the filter cartridge in seconds, for fast and simple replacement
- Close securely with magnetic ease

EASY FILTER CARTRIDGE CHANGE-OUT

Forget fumbling with tools, or having to engage a professional just to help you with a filter cartridge change-out.

Changing your filter cartridge has never been this easy. With Sanitary Quick Change (SQC) technology, it takes as little as 10 seconds.

DUST FILTER

Aqua-Pure™ Hot & Cold Filtered Water Dispenser features a dust filter that helps block out debris and dust.

Cleaning tip: Simply remove the dust filter mesh, wipe gently with a dry cloth or soft brush, and re-insert every 4 months to keep it working effectively.

² Certified for dispenser

³ NSF/ANSI standard 42, 53 & 401, for water filter only

⁴ For water-contacting parts of dispenser only

⁵ Certified in accordance with Appendix H on Extraction of Metals, for water-contacting parts of dispenser only

Technical Information: The technical information, guidance, and other statements contained in this document or otherwise provided by Solventum are based upon records, tests, or experience that Solventum believes to be reliable, but the accuracy, completeness, and representative nature of such information is not guaranteed. Such information is intended for people with knowledge and technical skills sufficient to assess and apply their own informed judgment to the information. No license under any Solventum or third-party intellectual property rights is granted or implied with this information.

Product Selection and Use: Many factors can affect whether a Solventum product is appropriate for a particular application and how it performs, including local water and plumbing conditions. Customer is solely responsible for determining whether a Solventum product meets customer's specific application requirements, including testing incoming source water quality and comparing it to the product's capabilities described in the Performance Data Sheet. Failure to properly evaluate, select, use or maintain a Solventum product, or to meet applicable regulations or instructions, may result in personal injury from exposure to contaminants AND/OR property damage due to water leakage or flooding.

Limited Warranty, Limited Remedy, and Disclaimer: Solventum warrants that this product (excluding filter cartridge or filter membrane) will be free from defects in material and workmanship for the period of one (1) year ("Warranty Period") from the date of purchase under normal use and service. The service life of the filter cartridge or filter membrane will vary depending on local water conditions and usage.

This warranty does not cover: a) normal wear and tear of consumable components; b) damage caused by misuse, neglect, accident, improper installation, unauthorised modification, or failure to follow instructions; c) damage resulting from water quality outside the specifications stated in the product manual; d) damage not caused by Solventum; and e) natural disasters or other force majeure events (such as earthquakes or floods), intrusion of foreign substances, or environmental factors (such as sulphur or other external forces), including unstable voltage; and f) labour or installation costs .

Within the Warranty Period, Customer must give Solventum written notice of any warranty claims or all such warranty claims are waived.

If the Solventum product does not conform to this warranty, then the sole and exclusive remedy is, at Solventum's option, repair or replacement of the Solventum product or issue a credit note for the purchase price in favor of the Customer.

TO THE EXTENT PERMITTED BY APPLICABLE LAW, SOLVENTUM'S WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES AND SOLVENTUM MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, ORAL OR WRITTEN, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY WARRANTY ARISING OUT OF A COURSE OF DEALING OR USAGE OF TRADE OF ANY SORT WHATSOEVER. BEFORE USING, CUSTOMER SHALL DETERMINE THE SUITABILITY OF THE PRODUCT FOR CUSTOMER'S INTENDED USE AND CUSTOMER ASSUMES ALL RISK AND LIABILITY WHATSOEVER IN CONNECTION THEREWITH. THE ABOVE CONSTITUTES CUSTOMER'S SOLE AND EXCLUSIVE REMEDY FOR WARRANTY CLAIMS. The foregoing warranties and remedies shall not apply to any experimental or developmental Product, which is sold "as is" and without any warranty.

This warranty does not affect any rights you may have under local laws. For warranty inquiries or service, please contact us as per below. A valid proof of purchase is required for any warranty claim.

Limitation of Liability: TO THE EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL SOLVENTUM BE LIABLE FOR ANY SPECIAL, CONSEQUENTIAL, INCIDENTAL, INDIRECT OR PUNITIVE LOSS, DAMAGE, COSTS OR EXPENSES (INCLUDING BUT NOT LIMITED TO LOSS OF PROFITS, SAVINGS, REVENUE, OPPORTUNITY, GOODWILL, INFORMATION, BUSINESS OR USE OR BUSINESS INTERRUPTION OR INCONVENIENCE) FOR ALL MATTERS ARISING OUT OF OR RELATED TO SOLVENTUM'S SUPPLY OF PRODUCTS, OR FROM THE INABILITY TO USE THE PRODUCTS, EVEN IF SOLVENTUM HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH LOSS OR DAMAGES. TO THE FULLEST EXTENT PERMITTED BY LAW, THE TOTAL LIABILITY, IN THE AGGREGATE, OF SOLVENTUM AND SOLVENTUM'S OFFICERS, DIRECTORS, PARTNERS, EMPLOYEES AND SUBCONSULTANTS, AND ANY OF THEM, TO CUSTOMER AND ANYONE CLAIMING BY OR THROUGH CUSTOMER, FOR ANY AND ALL CLAIMS, LOSSES, COSTS OR DAMAGES, INCLUDING ATTORNEYS' FEES AND COSTS AND COSTS OF ANY NATURE WHATSOEVER OR CLAIMS EXPENSES RESULTING FROM OR IN ANY WAY RELATED TO SOLVENTUM'S SUPPLY OF PRODUCTS, OR FROM ANY CAUSE OR CAUSES SHALL NOT EXCEED THE PURCHASE PRICE OF THE SOLVENTUM PRODUCTS OR SERVICES. IT IS INTENDED THAT THIS LIMITATION APPLIES TO ANY AND ALL LIABILITY OR CAUSE OF ACTION HOWEVER ALLEGED OR ARISING, UNLESS OTHERWISE PROHIBITED BY LAW.
